Call us crazy but field fresh greens, just caught seafood, homemade dressing with fresh herbs, and hot from the oven bread make us happy. It makes us want to prepare it to the best of our ability, serve it to you with a warm smile in a comfortable, casual setting where you can relax and enjoy yourself. Fresh food doesn't have to have a lot of pomp and circumstance. It just needs to be good. A good time. A good value. And choices the whole family can enjoy. For a good time, it's Sal good.
